Sir,

I have the honor to forward herewith in original the Comptroller's audit objection slip A, No. 25 dated the 4th November 1911 requiring that in the case of rewards for the destruction of~~f~~ wild animals, the disbursing officer should append a certificate to the effect that he has personally examined the skin of the animal concerned or has satisfied himself from personal enquiry of the genuineness of the claim for the rewards. The rules framed by Government in the matter (Vide Government Proceedings No 257 dated 19th December 1873) do not prescribe these certificates. The Comptroller in his docket No. 4162 -T.A.D. 2 832 - 839 dated 17th/19th January 1912 (copy enclosed) refers to his list of objections and to Artcile 11 of the Civil Account Code, as the authority for re-

requiring the certificate. Article 11 refers generally to all matters of payment and not specially to the point at issue. The list of objections of the Comptroller constitutes by itself no authority and only such objections as are in conformity with the Codal Rules can be answered.

Usually in the case of these rewards, the Amildars send a report about the matter with the party and the Deputy Commissioner after personally seeing the skin &c., sanctions the reward. No certificate has, till now, been afforded by him or been required and I do not think any certificate is necessary.

If by disbursing officer, the Comptroller means the Treasury Officer making the payment I admit that such officer is bound to satisfy himself that the party presenting the receip for payment is the person to whom the Deputy Commissioner has sanctioned the reward; but no certificate appears to be necessar

Such applications should be supported by a certificate from the Patel, or one or more respectable gentlemen of the village stating the place where and the date on which the animal was killed.

3. If the application is made before the Amildar, he should, unless otherwise instructed by the Deputy Commissioner by a general or special order, after satisfying himself that the skin is a fresh one, immediately forward it with the teeth and claws of the animal, to the District Treasury with a short report to the Deputy Commissioner stating by whom, when and where the animal was killed. The Deputy Commissioner will, after personal inspection of the skin, if necessary, sanction a reward not exceeding the amount stated in para 1 *supra* and have the skin, etc., sent for deposit to the Treasury where the skin will at once be punched. If the person claiming the reward desires to keep the skin, etc., as a trophy, the skin need not be punched, but may be returned to the applicant on his furnishing a muchalika to the effect that he will be careful so as to dispose of the skin that it shall not again be presented for payment of reward. In such cases, a sum of Rs. 6, Rs. 2, or rupee one, respectively, will be deducted from the reward according as the animal killed is a tiger, a cheetah or any other animal.

4. No reward will ordinarily be paid unless the claim is made and the skin, teeth and claws are presented within four months after the animal is killed. Deputy Commissioners may, however, sanction payment of rewards in special cases where satisfactory reasons are adduced for a delav of more than four months in the presentation of the claim.

5. Rewards for killing wild animals will be paid either in the District or Taluk Treasury as may be ordered by the Deputy Commissioner, on receipts from the parties countersigned by the Deputy Commissioner. They should also bear a certificate signed by the officer sanctioning the reward, *viz.*, the Deputy Commissioner, that he has personally examined the skin of the animals or has satisfied himself from personal inquiry, of the genuineness of the claim. If the party desires payment at a Taluk Treasury, the Deputy Commissioner will arrange for it by means of a Taluk cheque.

6. Skins, etc., received at the Treasuries for the payment of reward and not required by Government should, after being punched, be sold by public auction, due intimation of the same being given to probable bidders.
